KIBABII UNIVERSITY

**UNIVERSITY EXAMINATIONS
2020/2021 ACADEMIC YEAR**

**THIRD YEAR SECOND SEMESTER
SPECIAL/SUPPLEMENTARY EXAMINATIONS**

FOR THE DEGREE OF B.ED (SCIENCE) AND BSC (PHYSICS)

COURSE CODE: SPM 323

COURSE TITLE: THE STEELS

DURATION: 2 HOURS

DATE: 18/1/2022

TIME: 2-4PM

INSTRUCTIONS TO CANDIDATES

- Answer **QUESTION ONE** (Compulsory) and any other two (2) Questions.
- Indicate **answered questions** on the front cover.
- Start every question on a new page and make sure question's number is written on each page.

This paper consists of 2 printed pages. Please Turn Over

KIBU observes ZERO tolerance to examination cheating

Question One

- (a) Differentiate between carbon steels and alloy steels. (2 marks)
- (b) Define the following terms as used in alloys
- i) system (2 marks)
 - ii) Components (2 marks)
 - iii) Phase (2 marks)
- (c) State the Hume-Rothery rules. (3 mark)
- (d) State four factors that determine the grain size of austenite. (2 marks)
- (e) State four likely effects of increasing the grain size of austenite. (2 marks)
- (f) What is a TTT diagram? (1 mark)
- (g) Define hardenability. (1 mark)
- (h) Explain the Jominy end-quench test. (4 marks)
- (i) Discuss the influence of quenching medium, specimen, size and geometry on hardness of steels. (4 marks)
- (j) Differentiate between tempering and ageing. (2 marks)
- (k) Why should a steel be subjected to tempering? (2 marks)
- (l) What is the importance of combining hardening with either tempering or ageing? (1 mark)

Question Two

Discuss the factors that affect selection of materials. (20 marks)

Question Three

Discuss the properties that are used to classify materials. (20 marks)

Question Four

- (a) Use a diagram to classify metal clearly indicating where steels and all their classes belong among metals. (8 marks)
- (b) Discuss the types of steels and their mechanical properties. (12 marks)

Question Five

- (a) Describe casting as a process of forming steels. (10 marks)
- (b) Discuss the four mechanisms of phase transformation. (10 marks)
