This Paper Consists of 2 Printed Pages. Please Turn Over. 

QUESTION ONE.

In the multi-dimensional model for security management, one is always advised to first determine and evaluate all the assets of the organization as part of its way of implementing the security management. Discuss what it contains. 30 Marks.

QUESTION TWO.

For every private security agency to be successful in execution of its mandate, the guards should always perform their duties and responsibilities excellently. Explain these duties. 20 Marks

QUESTION THREE.

Matters concerning arresting powers by private security have really been a concern and a challenge to many organizations and societies. Dully explain the correct procedure. 20 Marks

QUESTION FOUR.

Private security is a very diverse industry, meaning one guard can take on a variety of roles. This doesn't change how they approach each job: from the emptiest construction site to the most crowded beer festival, security guards always have to be ready to do what's necessary for the safety of people and property. Discuss the five most common types of private security. 20 Marks

QUESTION FIVE.

Law enforcement is an activity that encompasses all round activity. From your point of view is it public or private? Discuss using any example. 20 Marks
