Kibabii University observes ZERO tolerance to examination cheating

This Paper Consists of 2 Printed Pages. Please Turn Over

1. a) Discuss the challenges that adolescents face world-wide. 10 Marks
b. The process of Adolescence development can be described as transactional: adolescents are not the passive subjects of Socialization, but play a central role in their own development. Discuss. 20 Marks
2. a) Evaluate five appropriate responses to the issues and concerns affecting adolescents. 10 Marks
b) Use the systems theory to come up with an intervention targeted at increased adolescent suicide cases. 10 Marks
3. "Although conflicts between parents and children become more frequent and more intense during adolescence, these conflicts are also thought to be a means to negotiate relationships." Discuss. 20 Marks
4. The mobilization of young people to take collective action within their own communities is an approach which strongly emphasizes the participation of young people in development. Discuss. 20 Marks
5. With examples, discuss five causes of parent adolescent conflict. 20 Marks
